

ICBCT 2023

2023 5th International Conference on Blockchain Technology

August 18-20, 2023

Guilin, China

<http://www.icbct.org/>

2023 5th International Conference on Blockchain Technology (ICBCT 2023) will be held in **Guilin, China** organized by **Guilin University of Electronic Technology** and co-organized by **Shanghai Jiao Tong University**, China. during **August 18-20, 2023**. We sincerely welcome scholars, engineers, and students in blockchain technology to participate in ICBCT 2023 and share the latest research results.

Call for papers

Track 01: Artificial Intelligence and Machine Learning

- ◆ Blockchain based artificial Intelligent Systems applications in Computers and Communications
- ◆ Blockchain based AI and Robotics Technologies
- ◆ Blockchain based AI and cloud computing

Track 02: IoT and Cyber-Physical Systems

- ◆ Blockchain-based IoT Applications and Services
- ◆ Blockchain-based security for the Internet of Things and cyber-physical systems
- ◆ Blockchain-based Internet of Things architectures and protocols

Track 03: Big DataBlockchain in Data Fusion

- ◆ Blockchain Analytics and Data mining
- ◆ Distributed data store for blockchain
- ◆ Distributed transaction for blockchain

Track 04: Security and Privacy on the Blockchain

- ◆ Authentication and authorization in Blockchain
- ◆ Applications of blockchain technologies in digital forensic
- ◆ Privacy aspects of blockchain technologies

Track 05: Blockchain Research & Applications for Innovative Networks and Services

- ◆ State-of-the-art of the Blockchain technology and cybersecurity
- ◆ Blockchain-based security solutions of smart cities infrastructures
- ◆ Blockchain in connected and autonomous vehicles (CAV) and ITS

For more topics, please visit: <http://www.icbct.org/cfp.html>

Submission Methods

1. Please submit your full paper/abstract to Conference Submission System: <http://confsys.iconf.org/submission/icbct2023>
2. Or submit your full paper/abstract to icbct@academic.net

Submission Guidelines

1. Official language is English in paper writing and presenting.
2. Full paper (8 full pages at least) submission is required for paper publication. One regular registration covers 10 pages, including tables, figures and references. Additional pages will be charged at 70 USD/page.
3. Abstract (200-300 words) submission is acceptable for presentation only and the abstract will not be published.
4. All submitted articles should be reported originally, previously unpublished research results, experimental or theoretical. Articles submitted to the conference should meet these criteria and must not be under consideration for publication elsewhere.

Publication

The submission will be under a careful reviewing process, all accepted papers after double-blind peer review with proper registration and presentation, will be included in the ICBCT 2023 conference proceedings which will be indexed by Ei Compendex, Scopus, etc.
